

M A R I N A Port Sud

At Ramonville on the Canal du Midi near Toulouse

Ramonville
Saint-Agne

Located less than 5 kilometers from the city center of Toulouse, the marina Port Sud at Ramonville benefits a stunning location along the Canal du Midi in a natural environment.

Totally renovated, the harbor welcomes you all year round and offers all equipment and services required for a stay of quality. Its location, infrastructure and services nearby are a must stop on the Canal du Midi a Unesco World Heritage Site.

Completely renovated, Port Sud offers modern facilities and services for a relaxing stay in a beautiful natural setting:

- one harbor master's office open all year, with showers, toilet, laundry and Internet access;
- a 9422 m² harbor;
- 74 berths for boats up to 15 meters;
- 17 berths along the banks for boats over 15 meters;
- a pre-payment electrical terminals (Badges units) with screen consumption monitoring;
- water supplies;
- one fueling station;
- sleepway;
- one careening area;
- one dock to accommodate cruising boats;
- wooden pontoons and catways;
- 2 meters large sidewalks accessible to disabled persons;
- pedestrian paths secure overnight with LED lighting;
- refuse and recycling bins;
- special equipments: anti-pollution and safety kits (buoys, kit in case of diesel pollution, etc.).

Concerned about the quality of its harbor offer, Ramonville welcomes you in Port Sud, a renovated marina for your greater comfort.

Technical port of call, comfort and relaxation

Located 300 meters from Port Sud, technical port is a area on the Canal du Midi for maintenance, development and repair for all types of boats: an extra service to secure your stay.

It is the only technical marina on the Canal du Midi to provide a dry dock for boats up to 38 meters.

It provides:

- a docking area of about 3000 m²;
- a dry dock corresponding to 20 places for boats from 4 to 20 tons of hold;
- a dry dock or graving dock for maintenance and refit work for boat of 38 m maximum of flat bottom hulls;
- a harbor master's office for the fee payment and in and out checking;
- facilities (showers, toilets, sink) for the users;
- equipments: drinkable water and electricity supply to users via 11 terminals spread over the space harbor.

PROFESSIONALS AT YOUR SERVICE:

sails, chandlery, boiler works, rescue federation and first aid, diving, etc.

Port Sud, a countryside marina, near Toulouse

PROFESSIONALS, WELCOME TO PORT SUD
